RE: HEPATIVAX PRICE QUOTE

Dear Steve,

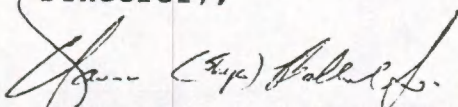

The following represents a price quote for the administration of Hepativax to all participating Fort Wayne Firefighters.

REDiMED will provide the personnel and expendable supplies for the administration of the hepatitis vaccine without cost providing that the administration of the vaccine is coordinated as we had discussed (from one location, 4-6 hours for each of the three shifts, for each of the three needed injections) and that individual firefighters unable to attend a scheduled session will need to proceed to a designated REDiMED for their injections.

It is further agreed that the Fort Wayne Fire Department will pay 'cost' for the necessary drugs, including any which may inadvertently not be used due to changes in the originally stated number of participants. As of this letter the per person price for the drug is \$118.00 through our supplier, Merck, Sharpe, and Dome.

Thank you for the opportunity to discuss this service.

Sincerely,

Howard (Skip) Balkenbusch  
Vice President
